

### Who are Bee Parks and the Hornets?

Bee Parks and the Hornets are a **band** of musicians. They write and perform pop-rock **songs** about the environment, being kind to your neighbor, and celebrating individuality. The band encourages the audience to dance and sing along as everyone learns together what it truly means to **be a bee**.

### Name that instrument!

Bee Parks and the Hornets use **8** different musical instruments. Can you name them and find them during the show?

# THE SCIENCE OF BEES

One hive can make **30-100 pounds** of honey in a year!

There are more than **20,000** species of bees in the world!

A bee can visit **5,000** flowers in one day!

Bees communicate through a dance called the **Waggle**.

Did you know that bees come in all colors? Some are bright metallic **green**, deep shades of **blue, red** and **yellow**, or deep **brown** and **black**.  
How will you color this bee?

Bees pollinate **1/3rd** of the world's crops! That includes:

APPLES

PUMPKINS

Want to help native bee populations? Create a **"native pollinator" garden**! Some perennials that bees enjoy include white meadowsweet, butterfly milkweed, and Jacob's ladder.

BROCCOLI

# BE A BEE!

Check out some of the ways that **YOU** can be an honorary bee!

## BEE PART OF A TEAM

Bees are small, but they can do a lot and so can you! Especially with the help of friends.

### BEE ACTIVE

Bees fly thousands of miles in their lifetime. What's your favorite way to stay active?

### BEE KIND

Bees sting when they are scared or hurt, just like people. What's a kind thing you can do instead?

### BEE-LIEVE IN YOURSELF

Even if you feel you don't fit in to one hive or another, remember that **YOU** are **YOU** and your ideas are amazing!

### BEE READY FOR CHANGE

Some insects undergo a change called **metamorphosis** to transition into a new body. People undergo major changes, too!

### BEE A FRIEND TO THE EARTH

From recycling to using natural insect repellents, there's a lot we can do help protect our environment. What's your favorite way to help the Earth?

# We Want to Hear From You!

Thanks for seeing the show! Please let us know your thoughts below.
